THE SOLEMNITY OF THE MOST HOLY TRINITY

The Virgin Mary, among all creatures, is a masterpiece of the Most Holy Trinity. In her humble heart full of faith, God prepared a worthy dwelling place for himself in order to bring to completion the mystery of salvation. Divine Love found perfect correspondence in her, and in her womb the Only-begotten Son was made man.

Let us turn to Mary with filial trust, so that with her help we may progress in love and make our life a hymn of praise to the Father through the Son in the Holy Spirit.

Responding to the love that comes from the Father, the Son gave his own life for us: on the cross God's merciful love reaches its highest expression. And it is on the cross that the Son of God obtains for us participation in eternal life that is communicated to us with the gift of the Holy Spirit. Thus, in the mystery of the cross, the three divine Persons are present: the Father, who gives his Only-Begotten Son for the salvation of the world; the Son, who totally fulfils the Father's plan; the Holy Spirit — poured out by Jesus at the moment of his death — who comes to make us participants in divine life, to transform our existence so that it may be enlivened by divine love.
